TXMAS Contract No.: TXMAS-10-899010

IDIQ (Indefinite Delivery – Indefinite Quantity) for Environmental Abatement and Remediation Services.

The Texas Comptroller of Public Accounts has issued Robles Service Group a Texas Multiple Award Schedule Contract to provide Environmental Contracting Services to state agencies and local governments on an **IDIQ/Job Order/Work Order** basis. These are the same services we have been providing to the military, universities, school districts and municipalities, since 1964.

Robles Service Group is a Texas Contractor that is both 8(a) Certified and HUB (Historically Underutilized Business) Certified by the TBPC and has been in business continuously since 1964. In addition to GSA Contracts in Texas, Robles Service Group is currently providing construction services for the U.S. Air Force IDIQ, 47th Contracting Squadron, Laughlin AFB, TX, U.S. Air Force IDIQ, 314th CE AETC, Little Rock AFB, Arkansas, U.S. Air Force IDIQ, 37th Civil Engineering Squadron, Lackland AFB, TX., and U.S. Army Contracting Agency, White Sands Directorate, WSMR, NM. Most of Robles' customers are long term, repeat clientele who depend on us to provide quality service, on time, and at a fair price.

Price for individual projects under TXMAS contract will be based on a pre-specified coefficient that is applied to a nationally recognized Unit Price Book for construction costs – The R.S. Means Facilities Construction Data UPB.
